Dear Clive

The heroic events involved with this year's Sydney Hobart Yacht Race are being shown here on TV in graphic detail. The tragedy is obviously extremely distressing for all concerned. I actually knew one of the deceased from the crew of Winston Churchill.

We have seen a lot of David Gray on CNN & from this side of the world he has performed most impressively & represented AMSA with distinction.

Please pass on my congratulations to all concerned at AMSA especially those involved in the amazing rescue.

Warm regards
Bruce Corlett
