

INQUEST INTO THE DEATHS IN THE 1998 SYDNEY TO HOBART YACHT RACE

STATEMENT OF AMELIA CATER

On 19th April 2000, I, **AMELIA CATER** of 6 Broughton Road, Surrey Hills in the State of Victoria, research associate, say:

Background

1. During the 1998 Sydney to Hobart Yacht Race ("SHYR") I worked in the Media Centre as an administrative assistant. Peter Campbell, Lisa Smith, Kelly Foster and Meredith Gray also worked in the Media Centre.
2. In 1998 the Media Centre was based on the second floor of the Cruising Yacht Club of Australia ("CYCA") clubhouse until 27 December 1998 when it moved to the Hotel Grand Chancellor in Hobart. In 1998 the Media Centre staff change over from Sydney to Hobart was performed in stages. Kelly Foster and myself flew to Hobart on the afternoon of 26 December 1998.
3. Approximately 2 weeks prior to the 1998 SHYR I received a copy of the CYCA official contact list, a true copy of which is annexed and marked "A". The contact list was also in the Media Centre in the CYCA clubhouse.

26 December 1998

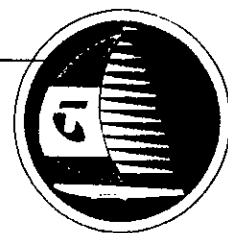

4. On 26 December 1998 from approximately 11.00am to 2.30pm I was on the water on one of the media boats for the start of the 1998 SHYR. From 2.30pm, until I left for Hobart later that afternoon, I was in the Media Centre assisting Peter Campbell, Lisa Smith, Meredith Gray and Kelly Foster. *at the CYCA performing other duties with the members of the media.* *al*
5. All the media staff were on the water from approximately 11.00am to 2.30pm on various media boats.
6. To the best of my recollection, I did not receive a telephone call from anyone at the Bureau of Meteorology ("BoM") on the afternoon of 26 December 1998.
7. I am not aware of anyone else in the Media Centre receiving a telephone call from BoM on the afternoon of 26 December 1998.
8. As far as I am aware, the Media Centre did not receive a "direct" fax from BoM on the afternoon of 26 December 1998, which was a storm warning forecast.

9. At that time I left the Media Centre to fly to Hobart, I had not received, nor was I aware that anyone else had received, a "direct" facsimile or telephone call from BoM in relation to the storm warning.

10. I was stationed at the Hobart Media Centre for the duration of the 1998 SHYR. -
