Dear Margaret,

## Re: 1998 Telstra Sydney-Hobart Yacht Race

I have had a request from Telstra for one of their technical staff to join the crew of Young Endeavour in their journey to Hobart. The person suggested is;

Mr. Benny de Melo  
Product Manager Telstra  
Global Satellite Division  
Tel: 02 9202 4408

No discussion has been held in respect to costs and the CYCA does not have any amount in our budget to cover this. If there is any way that this person can be included in the program at no cost we would appreciate it.

Yours sincerely,

BRUCE ROWLEY  
General Manager

**Subject Request for Berth for Telstra Technical Staff**

Bruce

Thanks for the information in your letter regarding Mr de Melo's request to join *Young Endeavour* for the voyage to Hobart in this year's race.

Unfortunately the ship has a full complement and no spare berths are available - before we even consider the question of cost!

Kind regards

Margaret
